01 Beaches & walking routes

📍 Pula Center Walking Route

A walking route through the centre of Pula, starting from a car park near the Amphitheatre (Arena). It passes Pizzeria Jupiter — very good, with fish and grill too — but you can eat anywhere along the way. Always check prices and Google reviews. (“Karolina” car park is pricey, but in peak summer parking is hard to find elsewhere.)

📍 Valsaline Beach

The beach nearest to the apartment.

📍 Verudela Walking Route

A walk (1.2 km) or short drive to the nearby resort with many lovely beaches — park at “Verudela Parking”. The “Zeppelin” lounge bar is a nice spot for a drink.

NOTE

For both walking routes, select **walking** in Google Maps — the default is driving.
